

Payroll Deduction Form

Higley Achievement Foundation supports education, scholarships, innovative instruction and charitable projects to benefit the students, staff and programs of Higley Unified School District. Our purposes are to:

- Provide student scholarships and grants to enhance academic achievement and success
- Build and foster relationships with communities served by Higley
- Support special projects that enhance the quality of educational programs
- Provide recognition of Higley staff, students, or members of the community for outstanding service or contributions to Higley
- Provide non-profit support and partnership with Higley parent and student organizations.

One of the ways you can help in this effort is to give to the Foundation through payroll deduction. Your tax-deductible donation supports our foundation programs.

The district has set up a payroll deduction for 22 pay periods. The pay periods begin in August and conclude after 22 consecutive paychecks. Employees beginning employment after the start of the school year will have deductions taken based on the number of remaining paychecks. This is a continuing deduction from one year to the next. HUSD employees must contact the payroll department if they choose to terminate these deductions at any time after they have been established.

Please specify all the amounts to be deducted from each of your 22 paychecks:
